

# Easter Eggstravaganza- Home Learning

Here are some choices of some creative homework we'd like you to complete at home.

You can choose to do just one or complete as many as you'd like.

Make some Easter treats to share with your family! You could make biscuits or cakes.

Make an Easter basket to keep your treats in. You could use empty cardboard boxes and add decorations too!

Decorate some hard boiled eggs. You could use pens or paint and add some extra decorations such as stickers, feathers or googly eyes!

Or just design your own Easter Egg using pens, pencils and paper.

Play the Easter Egg Shape matching game with your family. What shapes can you see on each of the eggs?

Did you plant any seeds? If you did keep looking out for changes, the weather has been good so you should see things happening soon!

Try some Easter Egg addition....

Imagine you are the Easter Bunny, make your own obstacle course in the garden making sure there are plenty of obstacles to jump over!

Read or watch the story of Chicken Licken. Can you retell the story in your own words to someone in your family? Try to use different voices for each of the

characters.

Can you write a sentence to tell part of the story?  
'Chicken Licken ran down the road to tell the king the sky was falling in'

We hope you enjoy some of these challenges and we can't wait to see some of your creations 😊
