

Acorns Home Learning Newsletter 4

Dear Children and Families,

I do hope you all had a lovely Easter and that the Easter Bunny brought you lots of Easter eggs!

Well it looks like we are not going to be seeing each other for a while! I hope you are all well and are having fun with and being very good for your families at home. Keep trying hard.

I hope you have been able to see the activity sheets I have been sending and having fun trying the activities. If you have, maybe you could send me some photos or drawings of what you have been up to.

Our Summer 1 topic is all about the weather, shadows and reflections, so if you have seen anything interesting on your walks, please send photos which we could share.

I will be phoning you in the next week, just to catch up with you all, as I am really missing seeing you, talking to you and having fun together.

Please keep smiling, reading together and singing all the songs we have been learning over the last few months.

Hope to see you really soon

With love to you all

Mrs Maytham
