

Foundation Stage Newsletter Issue 7

Can you believe we have reached the final week of term?! What an amazing term it has been too! Your children have all amazed us with how well they have settled into life at the Winchcombe and with the progress they have made in all areas. This week we have gone Christmas crazy and of course we had the recording of our grand Christmas Performance. What superstars the children all were! For us it was a strange experience not to share it with parents and family members in the hall, but the children took it in their stride and sparkled as they always do. You should have received a link yesterday to view the performance online but please do let us know if you had any problems accessing it.

Phonics

In Phonics, we have been revising our Phase 2 and 3 graphemes. It would be great if you could continue to consolidate and review these sounds over the Christmas holidays.

Maths

In Maths, we have been focussing on counting forwards and backwards to ten. Again, any practise of this over the two-week break would be fabulous.
