

Hello Acorns!

Week 2 has been wonderful! We have played with lots of minibeasts and have painted some beautiful sunflowers.

We have loved learning 'Five Little Worms' this week. Have fun singing along at home.

Five little worms on the garden lawn,
Wriggling around at the break of dawn.
Along came a magpie. Yum, yum, yum,
And now that worm is in his tum.

(Repeat for 4, 3, 2, 1).

Look out for information about signing up for parents meetings. Like last time this will be on the phone.

Tuesday 25th May 9-1130

Thursday 27th May 1530-1800

Try this 'talking tip' when you're out in the shops or playing shops at home.

You can compare the size of items you put into your trolley (e.g. "This is a small bag. This bag is bigger" and "This apple is smaller than the melon"). You can also talk about opposites (e.g. ice cream is cold, soup is hot).

Have a wonderful weekend 😊

Mrs Burton and Mrs Stock
