THE WINCHCOMBE SCHOOL - POLICY DOCUMENT

| | |
|---|-------------------|
| TITLE: Charging & Remissions | STATUS: STATUTORY |
| <p>Purpose and background</p> <p>The school wishes to make a broad programme of activities accessible to as many pupils as possible. This policy is intended to maintain a fair and coherent system of charges and remissions within the constraints of the school budget. It also defines other circumstances when the school may wish to ask for voluntary contributions. This policy is based on advice from the Department for Education (DfE) on charging for school activities and the Education Act 1996, sections 449 to 462 of which sets out the law on charging for school activities in England. It also states the school's policy for charging for information under the Freedom of Information Act 2000 (FOIA).</p> <p>Policy objectives</p> <p>Charging No pupil should have their access to the curriculum limited by charges. However, the school reserves the right to levy a charge in any circumstances permissible under statute as detailed below. When charges are to be made the school reserves the absolute right to determine whether the activity has to be cancelled if an insufficient number of families are prepared to pay for the activity to take place.</p> <p>Voluntary Contributions Where a charge cannot be made (as is the often the case for activities which are an essential part of the curriculum, or religious education) parents may nevertheless be asked to make a voluntary contribution. The matter of a voluntary contribution will not be a factor in deciding whether a pupil is allowed to participate in an activity to be financed by voluntary contributions.</p> <p>Remissions The school will apply the statutory minimum remissions to any charges that they make. However, no pupil shall be placed at an educational disadvantage because of a parent's unwillingness or inability to contribute. In the case of particular need, remission outside these parameters will be at the absolute discretion of the Head teacher.</p> <p>Information In line with the school's Publication Scheme on Information available under the FOIA, single copies of information will be provided free of charge unless otherwise specifically stated in the Publication Scheme. The costs of providing greater quantities of information may be charged to the recipient and charges will be advised prior to the request for information being fulfilled. The decision to charge will be at the discretion of the Head teacher, except that where the costs exceed the "Threshold" as defined in the FOIA, the charge will be determined in line with formula prescribed by the Act.</p> <p>Liability for personal property the school does not accept liability for any items of personal property lost or damaged in school, although in exceptional circumstances a contribution to the replacement of a lost or damaged item may be made at the absolute discretion of the Head teacher.</p> <p>Management of policy</p> <p>Staff: This policy is implemented and managed by the Head teacher</p> <p>Governing Body: The Governors' Finance Committee reviews this policy on a regular basis and recommends and recommends to the GB any changes</p> <p>Approval: Approved by the Governing Board on 21.04.26</p> <p>Next review due: April/May 2027</p> <p>Associated policies</p> <p>School Fund Policy Publication Scheme on information available under the FOIA</p> | |

Practice and procedures

Organisers of activities should be clear as to whether an activity falls within the parameters for charging or voluntary contributions:

A - Activities which are AN ESSENTIAL PART of the national curriculum, religious education or for an approved examination

Charging

It is not *normally* possible to charge for these activities.

Where a charge is allowed (see below), it may not exceed the cost that can be apportioned to the pupil's participation. If the cost of the chargeable element of an activity is expected to exceed the sum of the charges received then the organiser should ensure funds to balance are available by reference to the Head teacher. The school may make a charge where the law permits. Examples of where charges may be made include:

- the cost of board and lodging for all residential activities subject to full remission being given those pupils whose parents are receiving:
 - Income Support
 - Income-based Jobseeker's Allowance
 - Income-related Employment and Support Allowance
 - Support under part VI of the Immigration and Asylum Act 1999
 - The guaranteed element of Pension Credit
 - Child Tax Credit – provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190
 - Working Tax Credit run-on – paid for 4 weeks after you stop qualifying for Working Tax Credit
 - Universal Credit
- musical instrument tuition for pupils, if the teaching is not an essential part of the either the national curriculum or a public examination syllabus,
- activities that take place during lunch breaks,
- the services of a non-school organisation employed during school hours,
- any charges levied by the LA for services that it provides whilst applying the remission arrangements that the Authority considers appropriate,
- materials used in the production of an article where the pupil's parent has indicated in advance that they wish the article to be owned by the pupil, (NB where a parent declines to offer to pay for materials used in the production of an article where otherwise it would be expected that the pupil's parent would have indicated in advance that they wish the article to be owned by the pupil then the pupil shall undertake the exercise but may not be allowed possession of the article on completion)

Voluntary contributions

These may be asked for, but this must be done in line with the stated objectives of this policy. Organisers of activities may ask for voluntary contributions to cover the costs of:

- travel
- materials, books and equipment
- teaching costs including supply cover
- associated administrative and support staff costs
- tickets and entrance fees.

The organiser is expected to have constructed a balanced budget in advance. When arranging an activity, the voluntary contribution requested may be set to cover the direct cost per pupil, overhead costs and where appropriate, with an allowance for a contingency.

When writing to parents the benefit and educational aims of the activity must be described along with any risks associated. A request for voluntary contributions must make it clear that:

- there is no obligation to make a contribution,
- no pupil will be treated differently or not allowed to participate according to whether a contribution has been made,
- it may be necessary to cancel an activity if voluntary contributions received are insufficient to meet the costs of the activity.

B - activities available to our pupils that take place outside, or mainly outside, school hours that are NOT AN ESSENTIAL PART of the national curriculum, religious education or for an approved examination ('extra-curricular activities')

Charging

A charge may be levied in order to support the wide range of additional extra-curricular activities arranged by the school. The organisers of activities will normally determine a charge to cover the costs of: travel, board and lodging

- materials, books and equipment
- costs of staff paid to attend the activity (not supply cover)
- associated administrative and support staff costs
- tickets and entrance fees
- parents of children who qualify for the Pupil Premium Grant (PPG) should contact the school

For an extra-curricular activity, the charge should be set to cover the direct cost per pupil, overhead costs and where appropriate, an allowance for a contingency to cater for any reasonable unforeseen shortfall in income or increase in expenditure.

When writing to parents the benefit and aims of the activity must be described along with any risks associated (*also cover any policy regarding remissions*)
